

Vision statement

Our vision for:

Age:

Year level:

Vision for education

What does our child like? What are their strengths, interests and needs?

What would our child's ideal day at school look like? What must we do to make that day a reality?

How do we want to be involved in our child's education?

In five years, we would like to see our child ...

Vision for life after school

What might our child want in their future? (Think about family, culture, home and social life, independence, safety and valued roles they could have in their community and society.)

What do we want for our child's future?

What are the priorities?

How will the family be involved? What are the needs for support?
