

# Australian Student Wellbeing Framework

## Social media suggestions

You may find the following useful for communicating with parents and others in your school and wider community about the new Australian Student Wellbeing Framework and the Student Wellbeing Hub. The text may be edited and you can download or copy our logos and banners from the media pack.

### Facebook

A new Framework is now live on the Student Wellbeing Hub – it's called the Australian Student Wellbeing Framework. The Framework captures the holistic nature of what contributes to students feeling safe, connected, respected, supported and engaged in their learning. You can see more about this Framework and its supporting resources on the Student Wellbeing Hub. Discover more at [www.studentwellbeinghub.edu.au](http://www.studentwellbeinghub.edu.au)

The Student Wellbeing Hub is home to the new Australian Student Wellbeing Framework. The Framework supports everyone in the school community to address issues of student wellbeing and safety, including cyber safety. It highlights the importance of building strong, effective and culturally respectful relationships within the school community. Find out more at [www.studentwellbeinghub.edu.au](http://www.studentwellbeinghub.edu.au)

The new Australian Student Wellbeing Framework is now live on the Student Wellbeing Hub. The new Framework acknowledges the strong links between wellbeing and student learning. Discover information, free resources for teachers, parents and students about this Framework and much more. [www.studentwellbeinghub.edu.au](http://www.studentwellbeinghub.edu.au)
